

Holder Aviation, The In's & Out's of ADS-B

Making sense of ADS-B mandated requirements & how it will integrate with your current aircraft equipment can be confusing. Representatives from Garmin, L-3, Avidyne & Freeflight will all be on hand to present valuable information and explain the various ADS-B options for your aircraft.

Directions: Go to the Pell City Airport FBO and follow the signs or go to the old Sammies Restraunt and Holder Aviation is in the Hangars on the Northeast side of the airport.

A message from the National FAASTeam Manager
